Defendant(s). )

16 Pending before the Court is Defendant's motion to extend time for the depositions of  
17 Plaintiffs' treating physicians, filed on March 2, 2015. Docket No. 52. Discovery closed in this case  
18 on March 2, 2015. Docket No. 25, at 3. On March 2, 2015, Defendant filed a motion to strike  
19 Plaintiffs' expert designation of witnesses and reports, and set the witness fee. Docket No. 51.  
20 Defendant represents that it cannot conduct the deposition of Plaintiffs' witnesses until the Court

23 The Court finds good cause and excusable neglect exist to extend the discovery deadline.  
24 Accordingly, Defendant's motion to extend time for the depositions of Plaintiffs' treating physicians  
25 (Docket No. 52) is **GRANTED**. The parties are **ORDERED** to submit a request for specific  
26 deadlines for extending discovery, no later than one week after the Court rules on Defendant's
